this SUNDAY

NAMETAG SUNDAY

Have you ever been embarrassed to talk to someone at church because you forgot their name? Are you good with faces but bad with names? Do you ever say, "Hey *man!*" or "How's it going *friend?!!*" because you forgot a person's name? If so, welcome to the club! To help everyone with this and create a more welcoming environment, we thought it'd be fun all of us to wear name tags today. You'll find them at each entrance, so pick one up on your way in, write your name, and place it in an easy-to-see location.

what's AHEAD

NEW HERE TO THE BRANCH

Welcome—If this is your first time here, we have been waiting to meet you! In order to hear your story and get to know you better, please visit the welcome table outside after service to receive your gift, and thank you for coming!

"HOPELESSNESS" SERMON

Studies are showing that hopelessness is one of the most pervasive issues facing our culture. Next Sunday, February 26, Matt Marzec will address this vital issue for our morning message. What are the roots of hopelessness? What is the solution? This will be a wonderful opportunity to bring non-believing friends to church, as the message will be evangelically minded.

DONATIONS FOR YOUTH CAMPS

If you have ever been to a student camp, you know that friendships are formed, personal encounters with the Lord take place, and there is always tons of fun! These organized/staffed camps can be pricey, but we try to keep the cost reasonable for our families, so many kids can join the fun. If you feel led, we will be accepting donations for the youth camps to help supplement the cost and offering scholarships to families in need. Thank you for investing in our next generation!

YOUNG ADULTS | SNOWBOARD/SKI DAY TRIP

Are you ready to shred Big Bear's fresh powdered slopes? The young adult ministry is doing a day trip to Big Bear next Saturday, February 25. This trip is available to ALL young adults regardless of your experience level. Group tickets cost \$55 per person, or \$79 per person at the door. An informational meeting will be held after service in front of the auditorium for anyone interested in going.
